*National and state-level prevalence numbers reflect the most recent data available. This may differ across state fact sheets.

ECONOMICS OF TOBACCO USE AND TOBACCO CONTROL

- In FY2017, Rhode Island allocated \$375,622 in state funds to tobacco prevention, which is 2.9% of the Centers for Disease Control and Prevention's (CDC) Annual Spending Target.⁴
- Rhode Island received an estimated \$194.4 million in tobacco settlement payments and taxes in FY2017.⁴
- The health care costs in Rhode Island, directly caused by smoking, amount to \$640 million annually.⁴
- Rhode Island loses \$458.9 million in productivity each year due to smoking.⁵

STATE TOBACCO LAWS⁶⁻⁸

EXCISE TAX

- The state tax increased to \$4.25 per pack of cigarettes in August 2017. Rhode Island is ranked 2nd in the United States for its cigarette tax. The national average cigarette tax is \$1.71 per pack of cigarettes. The highest state cigarette tax is New York (\$4.35) and the lowest state cigarette tax is Missouri (\$0.17).
- Snuff is taxed \$1.00 per ounce. Cigars, pipe tobacco products, and smokeless tobacco other than snuff are taxed 80% of the wholesale cost; however the tax on cigars cannot exceed \$0.50 per cigar.

CLEAN INDOOR AIR ORDINANCES

- Smoking is prohibited in all childcare facilities, government workplaces, healthcare facilities, restaurants, schools, private workplaces, retail stores, recreational/cultural facilities, and bars (smoking bars are exempt).
- Smoking is restricted in casinos.

YOUTH ACCESS LAWS

- The minimum age requirement for the purchase of tobacco products is 18, and penalties exist for both minors and merchants who violate this law.
- Establishments are required to post signs stating that the sale of tobacco products to minors is prohibited.
- The sale to minors of bidis is prohibited
- The sale to minors of electronic cigarettes is prohibited.

LOCAL TOBACCO LAWS⁹

- The city of Providence:
 - » Bans the sale of flavored tobacco products except menthol, mint, and wintergreen; smoking and hookah bars are exempt.
 - » Prohibits licensed tobacco vendors from selling discounted tobacco products through coupon redemption and multipack offers.

CESSATION STATISTICS AND BENEFITS

- The CDC estimates that 48.6% of adult every day smokers in Rhode Island tried to quit smoking for one or more days in 2015.¹⁰
- The Affordable Care Act requires all Medicaid programs cover all tobacco cessation medications beginning January 1, 2014. However, there is not yet evidence that the Rhode Island Medicaid program has complied with this requirement regarding NRT nasal spray, NRT lozenge, and NRT inhaler.^{8†}
- Rhode Island's state quitline invests \$1.04 per smoker; the national average investment per smoker is \$3.46.⁸
- Rhode Island has a private insurance mandate provision for cessation.⁸

[†]The seven recommended cessation medications are NRT Gum, NRT Patch, NRT Nasal Spray, NRT Inhaler, NRT Lozenge, Varenicline (Chantix), and Bupropion (Zyban).
